## **Snowball Fight Name Game**

This is a great physical game with a winter theme and is ideal to help learn the names of members in your group, particularly for new starters.

Each player writes their name on a sheet of paper and then scrunches it up into a ball.

On "Go", players then throw their paper snowballs at each other.

Players can pick up snowballs from the ground and continue play.

After an allotted time, all players must be holding one snowball each.

At the end of the game, players unravel the snowball they are holding.

Winners in the game are those who are holding the paper with their name on it at the end of the game.

This can also be played as a team game, with teams at opposite ends of the room. The winners are the team that get the most number of snowballs back to their original owners at the end of the game.
