

# WORSLEY NEEDS YOUR HELP!

Our Kent Scouts ArcticQuest2026 team of twenty really need **YOUR** help! They have all been hard at work fundraising over the last few years for their Arctic research project and have raised an incredible £84,737 so far from BBQs, quizzes, donations and merchandise sales.

With continued personal fundraising they will almost certainly reach £100,000 on their own. However, to fully fund the project as a group they still need to reach a total of **£133,320** by the end of the year (2025).

With YOUR vital help they may still be able to achieve their goal of undertaking their polar research projects on a tall ship in the Arctic Circle - a first for Kent Scouts!
